Help us make a difference!

The money raised through *Drive into the Night* will help GRACE make a difference in the lives of school-aged children in our community.

Feed Our Kids is a summer lunch program that provides nutritious meals to children who qualify for free or reduced priced lunches at their schools. Many of these children would go hungry during these summer weeks when their school is not in session. This year, volunteers will serve lunch and provide fun activities to as many as 650 children per day for 11 weeks. That's more than 35,000 total meals! Your participation in *Drive into the Night*, through

sponsorship or as a golfer, will help ensure that these programs reach as many children as possible.
